

I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules, which serve public--not private--interest. A wide variety of media outlets under a few corporate owners is a few viewpoints being heard not many.

Do not confuse technological diversity owned by a few with true democratic diversity.

itAnd why was I not able to send this comment until the day of the vote? Your server has been down all week!
